# STUDENT LANGUAGE BUILDER

Student Name:

Date:

Teacher(s):

## MATRIX PLACEMENT

## CONTENT FOCUS

What vocabulary and concepts are you teaching?

## LANGUAGE OBJECTIVES

Using what you know about the matrix and the verb list, what is this student's language goal for this lesson/unit/time frame?

## GUIDING MATERIALS

What materials will guide and support this learning experience for your student?

## TIERED SUPPORT TIMELINE

As your student becomes more comfortable and successful with the language, how will you continue to challenge them to meet their language goals during this time frame? What markers will you use to determine successful language use?

## ACTIVITIES

Using your verb list, what activities will be used to engage this student in language learning?

## ASSESSMENTS

What formal and informal assessments will you use to gauge and re-evaluate progress?

## SUPPORTS FOR SUCCESS

What accommodations and supports does this student need to be successful?

### STUDENT PRIMARY LANGUAGE(S)

What is this student's experience with their first language? How long have they spoken it, and (if known) what is their proficiency level? When was the student introduced to English?

### EDUCATIONAL EXPERIENCE

Where did this student attend school and for how long?

### HOME/FAMILY INFORMATION

What languages are spoken at home? What are the family members' educational backgrounds and countries of origin? Who lives in the home? What is their preferred language for home/school communication?

### CONSIDERATIONS/NOTES

Are there any educational gaps or notes from previous educational experiences? When was the student identified as needing special education? How long has the student had these services?

### STUDENT SUCCESS MARKERS

I will know this student is successful when....

### RECENT ASSESSMENT DATA

Strengths and areas of need/growth

### STUDENT LIKES/INTERESTS

Often overlooked, but important to student buy-in and building relationships.
